**AMENDMENT**

Please amend this application as follows. A marked-up version of the claims is attached to this Amendment.

**In the Abstract**

Please amend the application to include the abstract on the attached sheet.

**In The Claims**

1. (Amended) A sales system for coupling to a communications network, comprising:  
a first sales interface at a first network address, the first sales interface including a first set of user interface elements,  
a second sales interface at a second network address, the second sales interface including a second set of user interface elements, and  
a sales server at a third network address that operates the first and second sales interfaces while providing an impression that they are being operated by different entities, wherein the
